A gentleman, who has had opportunities
...of the under-currents in the politi-

...has become the dread of Messrs Van
...Buren, White, Buchanan, and the more

...immediate cause of fear is, the strong
...opinion manifested by the Missouri
...the sceptre from the feeble hands which

...UTE TRICK.—A bill passed both
...of the Legislature, at its recent ses-

...become a law, had it not happened that
...the clerk was about obtaining the Ex-

...PRICE OF SUGAR.
...circumstance can afford better evidence
...of the deranged state of the money mar-
...ket than the present low price of sugar. It is
...that the backwardness of the season, and
...the consequent low stage of the upper waters,
...are considerable bearing upon the price
...of this article. But this alone does not suf-
...ficiently account for the fact, that prime su-
...gar is at present quoted at only 6 1/2. A
...comparison of the quantity of sugar now
...in Louisiana would make the amount sixty
...million hogsheads. It may with great
...accuracy be calculated that the West, inclu-
...ing the States supplied by the Mississippi
...and its tributaries, will require the

whole of this quantity, and perhaps more,
...for this whole region is acknowledged on all
...hands to be perfectly bare—they have not a
...hogshoof on hand. Can it be denied then,
...that with a certain market for their whole
...stock in the west—with the fairest prospect
...of an increasing demand in the East and
...North—that in a very short time there must,
...necessarily be a considerable augmentation
...in the price of this article. Why then does
...the article remain at the present low quota-
...tion? It cannot certainly be owing to any
...mistrust of the future. It can only be at-
...tributed to the present compressed state of the
...money market. No doubt, a rapid improve-
...ment is about to occur in this department of
...affairs. We can, therefore, venture to ex-
...hort sugar holders to patience and firmness
...—let them make no sacrifice. They may
...depend upon higher prices.

...ELEVEN DAYS LATER FROM
...ENGLAND.
...ARRIVAL OF THE GREAT WESTERN.
...By the arrival at New York of the Great
...Western, we are enabled to spread before our
...readers foreign intelligence eleven days later.
...Our last advices are up to the 17th January,
...from Liverpool, while the Great Western
...did not leave Bristol, till the 28th of Janu-
...ary. She made the passage in nineteen days,
...and brought over 103 passengers.
...AN APPALLING DISASTER.
...An East Indian man, and 170 lives lost!
...Accounts from India announce the loss of
...the Ship Protector, bound from London to
...Calcutta, at Sands Head, near the place of
...her destination. Out of 178 persons on board
...only 8 were saved, viz: 7 recruits 1 seaman.
...the number of recruits on board was 116, ac-
...companied by 16 women and 20 children;
...crew 36. The Protector was driven ashore in
...a gale, while at anchor.
...The King of France had issued an ordi-
...nance prohibiting the exportation of grain
...from the ports of France on the Atlantic front-
...tier.
...Several of the Paris papers were severe
...in the condemnation of this ordinance, as
...against sound policy and the freedom of trade;
...but hint that it was a measure that had to
...be adopted to prevent popular discontent
...which had already shown itself, in the inter-
...ior, from breaking out into open revolt.
...The high price of bread was the cause of
...outbreaks, and in some instances the muni-
...cipal authorities had to interfere, and yield to
...the demands of the populace, to obtain a re-
...duction of the price.

THE ENGLISH COTTON AND
...OTHER MARKETS.
...A letter from a passenger in the steam
...ship to Mr. Coffey says:
...“The Cotton Market has improved since
...the 17th January up to the time we sailed.
...The transactions of the week before were lar-
...ger nearly 10,000 bales, and a decided tendency
...for a still higher advance, and that without
...any reference to news from this side. The
...Great Western has 103 passengers.”
...Yours, truly, J. HASTINGS.

...The River has been nearly stationary
...during the last week, and the Ohio has been
...falling. The flat boat arrivals have been
...frequent, but the larger class of steam boats
...have been coming out light from Louis-

...FLOUR, is plenty and sales at a slight re-
...duction of those from last week.
...COTTON, continues in good request and is
...taken from the wagons at our quotations

...Western District were making at 13, 13 1-4
...and 13 1-2 cts. The demand was fair, but
...chiefly confined to small parcels.
...SUGAR.—The stock is good, and sales con-
...siderable at 8 1/2 to 10 cents, according to
